

# Quick Start Online Resources

## Elementary

### Literacy

**New Brunswick Public Libraries** offer many learning experiences and free access to downloadable ebooks. To access this site, you will need your library card number. If you don't have one, get one [here](#).

**Learning A-Z**, which includes products such as Raz-Kids and Headsprout, provides a wide variety of electronic books and listening and writing activities. This site also includes resources for English as an Additional Language (EAL) students. (Free Trial)

**Epic!** is a digital library of books, videos, activities and more! (Free Trial)

### Numeracy

**Wild Maths** provides videos and activities for exploring a variety of math topics for ages 7 to 16.

**Teach Early Years** offers lots of ideas for exploring math concepts outdoors.

**Youcubed at Home** provides rich and creative math activities and explorations.

### French

**FLORA** is a made-in-New Brunswick French program for K–3 that includes a variety of interactive materials including dialogues, storybooks, activities, and songs.

**Idélo** provides thousands of resources in French for all grades, learning levels and interests in a wide variety of subject areas. (Free Trial)

**Boukili** is both an app and a website that enables you and your child to read leveled French books.

### Health and Wellness

**Open Physical Education Network (OPEN)** offers activities that will inspire you and your family to stay active at home.

**BOKS Canada** offers free workouts and fitness games to use at home.

**Participation** offers advice, guidelines, and resources for physical activity for school-aged children (ages 5-17).

### Learning in Life

**Classics for Kids** offers a variety of ways to explore musical theory and history through interactive games and lessons.

**Lunch Doodles with Mo Willems** is a series of online drawing lessons from the Kennedy Center Education Artist-in-Residence.

**How Wee Learn** offers a collection of woodworking projects for young children.

The **Walking Curriculum** is a collection of 60 easy-to-use walking activities designed to engage students' emotions and imaginations with their local natural and cultural communities.
