<p>New Concept: Introduction to Multiplication Below are three videos that introduce multiplication. <a href="https://www.khanacademy.org/math/cc-third-grade-math/intro-to-multiplication">https://www.khanacademy.org/math/cc-third-grade-math/intro-to-multiplication</a> j9M After the video, there are some practice questions.</p>	<p>Read 30 minutes each day. Tell someone about what you have read. Talk about what happened at the beginning, the middle, and the end.</p>	<p><b>Paper Challenge #1</b>  <b>Challenge:</b> Create a structure that will hold a heavy book off the table for 30 seconds.  <b>Materials:</b> • 1 piece of paper • 5 cm of tape  <b>Reflection:</b> 1. What about your design worked well? 2. What about your design did not work well? 3. How do you think you could improve on your design? 4. If you could start again, what would you do differently?</p>	<p><b>Music</b> – check out Mrs. LeBlanc’s music webpage  <a href="https://msleblanc-elementarymusic.weebly.com/">https://msleblanc-elementarymusic.weebly.com/</a></p>
<p><a href="https://www.youtube.com/watch?v=suYfm89VewA">https://www.youtube.com/watch?v=suYfm89VewA</a></p>	<p>Write instructions that can be used to tell someone how to do something like brush their teeth, directions to school from home, or a sports skill.</p>		<p><b>Phys.
